

Dear Primary Parents,

We have amazing news - SwissCanonica will be launching a new Grab & Go service, offering primary students healthy snacks and meals during breaks and lunchtimes, from Monday 4th September.

Parents can download the SPARE app and top up the family account allowing children to select purchases in school via an ID card when they are added as a family member (the SwissCanonica Team will issue the ID cards to students).

Or parents can conveniently pre order for children on the application and the SwissCanonica Team will prepare orders ready for lunch time.

In addition to the new Primary Grab & Go menu (attached) parents/ students can also opt for:

Daily Meal of the Day (Starter – Main Course – Dessert) - 32AED

Daily Main/Side of the Day (Main Dish and Side Dish only) - 22AED

Meals can be purchased in the same way as the Grab & Go, either via the app or in school using the student ID card.

Please note that when you pre order via the SPARE app you will be required to set a 'delivery date'. The deadline for orders is 9am on the same day.

We will be continuing with the hugely successful 'Fridays with SwissCanonica' - serving popcorn and cookies (5AED each and limited to one per student) during break time every Friday restarting on 1st September. This will be relocated to the new Primary Grab & Go area.

If you need any support or have any questions you can contact the SwissCanonica Team at canteen-ec@swisscanonica.ae
